Manufactured by
U. S. Government Printing Office

Panicum

- 11438 *Panicum* In damp soil
(3) in pasture near
Daisy, along
Blackwater River; common.

Canada Valley,
around Davis, etc. W. Va.
July 30, 1945
H.A. Allard
Pendleton Co.

- 11439 *Carex serotina* (Fern.) Mack. ditto
(1) Near # 11438.

- 11440 *Adiantum fungosum* (Ait.) Greene ditto
(1) In thicket at Tank Stream (first
stream from Daisy. Fully bloomed.
rare, beautiful; fl. pinkish.
climbs by leaf petioles winding around objects.

- 11441 *Carex serotina* (Fern.) Mack. ditto
(1) along old road near # 11440.

- 11442 *Gramineae* ditto
(1) along woodroads near Daisy,
near # 11440. Very beautiful,
(2) delicate; stem densely covered very
beautiful; abundant; reddish.

- 11443 *Juncus solutus* var. *solutus* Fern. & Wieg. ditto
(2) In wet soil near # 11440; abundant.

- 11444 *Lepidium* ditto
(1) In pasture near # 11440

Juncus articulatus L.

- In water near
11445 # 11438
(1)

Canada Valley
Near Davis, W. Va.
Pendleton Co.,
July 30, 1945
H.A. Allard

- 11446 *Elymus* ditto
(2) In thicket along Blackwater River
near Davis, W. Va.

- 11447 *Gramineae* ditto
(1) Near # 11446
same as # 11442.

- 11448 *Panicum* ditto
(3) In thicket near # 11446;
abundant.

- 11449 *Polytrichum* ditto
(1) along 2nd
stream across Blackwater
from Daisy.

- 11450 *Sphagnum* ditto
(1) with # 11449

- 11451 *Moss* ditto
(1) on submerged rocks
in stream near # 11449;
same stream.

Moss
On submerged rocks in 2nd
stream flowing into Blackwater Canyon,
across river from Davis, W. Va. Pendleton
11452 July 30, 1945
H.A. Allard

11453 *Juncus effusus* var. *solutus*
along Blackwater River ditto
near Davis, Pendleton Co., W. Va.

11454 *Panicum*
(2) In thicket along Blackwater River, ditto
near Davis, Pendleton Co., W. Va.

11455 *Gentiana linearis* Fernald
In bog 3 miles east of Blackwater
River near Canaan first tower.
Painted out to me by Jim ditto
July 31, 1945

11456 *Gentiana linearis* Fernald, white
form, with greenish corolla tip as in
the typical blue: rare.
Growing with 11455, and in no other locality here ditto

11457 Fern
(1) In rich woods deep down on slope of
Blackwater Canyon near Pendleton
Run, where it begins to enter the
Blackwater. ditto

11458 *Carex debilis* var. *rudgei* Bailey
(2) On cliffs at lookout over Blackwater ditto
canyon 3 miles west of Davis, in thin soil.

Moss
On decayed logs and
rocks near # 11457

11459

U

11460 *Houstonia*
about through flowering.
at bottom of Blackwater Canyon
on banks, near Pendleton Run.

11461 Grass
at bottom of Blackwater Canyon
on bank near water's edge, near
Pendleton Run. (at bottom of Canyon)

11462 *Salix*
(4) at foot of Blackwater Canyon ditto
with 11461

11463 Moss
(4) on rocks at foot of Blackwater Canyon. ditto
near # 11462

11464 Moss
(1) Behind high falls 30-35 ft. high ditto
at foot of Pendleton Run in
Blackwater Canyon, moist soil.

11465 Moss
(1) On logs at bottom of
Blackwater Canyon near
Pendleton Run, in permanent
spray and mist of high falls here ditto

Canaan Valley
Pendleton Co., W. Va.
near Davis
July 31, 1945

ditto

ditto

ditto

ditto

ditto

ditto

Hypericum
In crevices behind
high falls on Pendleton
Run, near junction
with Blaine Water River
in mist and spray.
Canaan Valley,
Pendleton Co., W. Va.
near Davis.
July 31, 1945

11466
11467 *Hypericum*
(2) on rock shelves with # 11466,
behind the falls itself.

11468 Fern
2 On moist wooded banks near
11466, in mist of falls.

11469 Fern
(4) with # 11466 in wet soil and
mists.

11470 Behind falls with # 11466
(1) *Hypericum*

11471 *Juncus tenuis* Willd.
(1) In old field just west of
Davis.

11472 Moss
(1) On wet rocks behind falls
with # 11466, at foot of Pendleton Run.

Hepatic
In same habitat
with # 11466 at
foot of Pendleton Run,
behind falls.
Canaan Valley,
Pendleton Co., W. Va.,
near Davis
July 31, 1945
H. A. Allard

11473 Moss
(1) In Blaine Water Canyon at
bottom near junction with
Pendleton Run.

11474 Moss
(1) with # 11474

11475 Moss
(1) On wet rocks with # 11474
at bottom of Canyon near
Pendleton Run.

11476 Moss
(1) with # 11466 behind falls.

11477 Moss
(1) On wet rocks with # 11474

11478 Moss
(1) In thicket 2 miles east of
Davis on old railroad grade
to former
Canaan 70
ditto
Rose, Aug 1,
1945

Gramineae
On railroad grade
3 1/2 miles east of Davis,
11480 near old railroad
(1) lumber camp 70,
Canaan Valley
~~Pendleton~~ Co., W. Va.
near Davis,
Aug. 1 1945
H.A. Allard.

11481 *Spiraea latifolia* Benth.
(1) ~~1~~ branch from each clump over
wide area; note variations in pubescence.
This a mass collection. ditto

11482 Labiatae (pink bl.)
(1) In waste ground at old mill
mill runs just east of Blackwater
bridge at Davis. ditto

11483 *Carex folliculata* L.
(1) In bog 3 miles east of Davis
along Blackwater River. (my first find
in area) ditto

11484 Gramineae
(1) In upland situation near # 11483. ditto

11485 *Eriophorum virginicum* L.
(1) In bog near # 11483; very
abundant, white and brown forms. ditto

11486 *Aporosa androsacmifolia* L.
(1) In thicket near 11483;
everywhere. ditto

Polygala
In dry cinder soil
11487 on railroad
(1) grade, and 3 miles
east of Davis; local
in area, Canaan Valley
Pendleton Co., W. Va.
near Davis
Aug. 1945
H.A. Allard

11488 *Gentiana linearis* Threl. ditto
(1) bl. blue.
In bog near # 11487; very
common in bogs.

11489 *Asclepias tuberosa* L. ditto
(1) along Blackwater river 3 1/2 miles
east of Davis, near railroad
grade. In dry cinder soil;
rare in the area.

11490 *Dulichium arundinaceum* (L.) Britton. ditto
(3) In bog near # 11489; infrequent
in area; my first record, here.

11491 *Rosa* ditto
(2) In thicket near 11483.

11492 Gramineae ditto
(1) In bog near 11489; frequent.

11493 *Scirpus atrovirens* Muhl. ditto
(1) In bog ground 3 miles east of
Blackwater river near Blackwater
river.

Potentilla recta L. Canaan Valley, W. Va.,
Pendleton Co.
In pasture near old mill
11494 *Potentilla recta* L. Near Davis;
Aug. 1, 1945
at bridge over the
" Blackwater at Davis; H.A. Allard.
in frequent in area; my first record.

11495 *Aster lucidulus* (Gray) Wieg. ditto
" In low ground along Blackwater
river 3 miles east of Davis; the
commonest aster in the area; fl. blue.
just coming into flower; probably a

11496 *Solidago graminifolia* (L.) Salisb. ditto
var. *humilis*, as very close to it.
" Everywhere common; the only form here, i.e.
nearly glabrous above.
This near # 11495; just coming into flower.

11497 *Juncus effusus* var. *solutus* Torr. & Wieg. ditto
" In boggy land in roadway
3 miles east of Davis on old railroad
grade; large pure stands here.

11498 *Solidago rugosa* Mill. ditto
" along old railroad grade 2 miles
east of Davis; common.

11499 *Apocynum cannabinum* L. ditto
" Near # 11498 in ~~dry~~ soil;
frequent.

11500 *Verbena hastata* L. ditto
" Along Blackwater river
near bridge at Davis; fl. bright blue;
common.

Juncus articulatus L. Canaan Valley,
Pendleton Co., W. Va.
along Blackwater near
11501 bridge, ed. river. Aug. 1, 1945
mill at Davis. H.A. Allard.
" = *Juncus articulatus* L. Near Davis

11502 *Rhexia virginica* L. ditto
" In moist gully along
canyon Rim Trail below
Thomas, in Nat. forest; Aug. 2, 1945
infrequent

11503 Moss. ditto
" On submerged rock in
2nd (Canaan stream) on left
bank of Blackwater river. Aug. 2.

11504 Moss ditto
" On submerged rock with
11503.

11505 Moss ditto
" On submerged rock in ~~submerged~~
2nd stream (Canaan) with
11503.

11506 Moss ditto
" On submerged rock in same
stream with # 11503.

11507 Moss ditto
" On submerged rock with
11503 (same stream)

Moss.
On submerged rocks in
2nd (Canaan stream)
11508 flowing into
Blackwater canyon near Davis.
Canaan Valley, W. Va.
Pendleton Co.,
Near Davis
Aug. 2 1945

11509 Moss
" On submerged rocks with # 11508, in
same stream. ditto

11510 *Rhopia virginica* L.
" In moist soil along truck road
road (Canyon Rim truck trail)
near Douglas. ditto

11511 Moss
" On submerged rocks with # 11508 ditto

11512 Moss
" On submerged rocks with
11508 ditto

11513 *Sphagnum*
" On banks near # 11508 ditto

11514 Moss
" On submerged rocks with
11508. ditto

Moss
On submerged rocks
11515 with # 11508,
" in Canaan stream. H.A. Allard.
Canaan Valley, W. Va.
Pendleton Co.,
Near Davis
Aug. 2 1945

11516 Moss
" On submerged rocks in
Canaan stream with 11508 ditto

11517 *Helianthus decapetalus* L.
" On Backbone mountain
at 3700 feet, near Thomas.
along wood roads (truck trail around
Canyon rim.) ditto

11518 *Amitotrichia macrophylla* Lam.
" Near # 11517; abundant
here, climbing to tops of tall trees;
only fully grown green rods now. ditto

11519 Moss. Bottom of
" On rocks at Bluffwater (July 31, 1945) ditto
Canyon near Pendleton River.
(Date out of regular order as
July 31, 1945)

11520 *Aster preanthoides* Muhl. Aug 3, ditto
" fl. violet.
In low ground on Canaan Mt., near
fire tower south of Davis.

11521 *Desmodium canadense* (L.) DC. Aug 3, ditto
" Roadside bank near Red House
postoffice; occasional; showy with
its large, purplish flowers.

actinomeria alternifolia (L.) DC. Canaan Valley, W. Va.
~~Tippecanoe Co.,~~
~~Perkins Co.,~~
Near Davis
11522 In waste ground Aug. 3, 1945
near Red Run H.A. Allard.
" host office.

11523 *Astragalus canadensis* L. ditto
(1) fl. greenish cream color.
In dry rocky banks on Dry Fork
near Hendricks; local.

11524 *Cirsium altissimum* (L.) Spreng ditto
(1) On Dry Fork in thickets and on
roadside banks near # 11523; local;
Grows 10 feet or more tall.

11525 *Rubus odoratus* L. ditto
(1) In thickets along roadsides
etc., on Dry Fork near Hendricks;
very common; fruit rather insipid,
red.

11526 *Aralia racemosa* L. ditto
(1) on roadside banks in woods;
on Dry Fork toward Hendricks;
frequent here.

11527 Moss:
(1) on wet limestone rocks here a
morning stream has cut a deep well in
the rocks on the Dry Fork road. ditto

11528 *Compositae* ditto
In moist, wooded ravine
on Dry Fork toward Hendricks.
Polygonia uedalia L.
stems very smooth.

Labiatae. *Collinsia canadensis* (L.) Poir. Canaan Valley, W. Va.
~~Tippecanoe Co.,~~
~~Perkins Co.,~~
near Mills Run, near Davis
11529 Dry Fork, on Aug 3, 1945
" road to Hendricks. H.A. Allard.
Fl. yellowish.

11530 *Sedum ternatum* ditto
(1) On dry slopes on ~~Dry Fork~~ limestone
outcrops toward in woods on Dry Fork
toward Hendricks; abundant. Past flowering

11531 *Gaura biennis* L. ditto
(1) Roadside bank on Dry Fork
near Hendricks; fl. pinkish.

11532 *Monarda didyma* L. ditto
(2) fl. pink in this colony; they
occur in other colonies, red,
and also purplish red. Near # 11531

11533 *Cuscuta parasitizing* ditto
Monarda didyma L.
(2) On Elk Lick near Parsons.

11534 Umbelliferae ditto
(1) On wooded bank on Elk
Lick near Parsons.

11535 *Berberis canadensis* Mill ditto
(1) On steep bank in woods
on Elk Lick near Parsons.

Minulus ringens L. Canaan Valley, W. Va.
 in bog on Elk ~~Pendleton~~ Co.,
 11536 Lick on Dry Near Dams,
 (3) Fork road Aug. 3, 1945
 toward Hendricks; H.A. Allard.
 common

11537 *Campanula americana* L. ditto
 (4) along roadside on
 Dry Fork road toward Hendricks.
 fl. blue; very showy, abundant, but
 not in the Dams region.

11538 *Vaccinium macrocarpon* Cist. ditto
 (1) in bog on Canaan Mt., just
 south of Dams at left of highway
 to Seneca Rocks. scattered throughout
 the region.

11539 *Melampyrum lineare* Lam. ditto
 (1) near fire tower on top of
 Canaan Mt., in open thickets;
 frequent.

11540 *Lobelia agastache* *snophulariaefolia* (L.) H. & A. ditto
 (4) fl. whitish with these characters also of *A. nepetoides*.
 on roadside bank on Dry Fork
 road toward Hendricks; infrequent.

11541 *Desmodium canadense* L. ditto
 (1) on steep lime-stone banks
 on Dry Fork road to Hendricks.
 frequent; fl. purple, showy, large.

11542 *Mass* ditto
 (1) in cold limestone spring
 (50°F) near Mill Run on Dry
 Fork road to Hendricks.

Monarda didyma L. Canaan Valley,
 Pendleton Co., W. Va.
 in thickets near Mill Run on Dry Fork
 11543 road to Hendricks. Aug. 3, 1945
 (3) fl. whitish; Mr. Cramer, forest employee,
 thought it a form of *M. didyma*
 with white fl. H.A. Allard

11544 Moist soil on Elk Run ditto
 (1) on Dry Fork road to Hendricks;
asclepias

asclepias incarnata L. ditto
 11545 in moist soil near
 (1) Elk Run, on Dry Fork road
 to Hendricks; frequent; showy,
 purplish red.

11546 *Lobelia cardinalis* L. ditto
 (1) in boggy meadow thicket
 near Elk Run with # 11545;
 frequent; very showy, crimson.

11547 *Impatiens pallida* Nutt. ditto
 (1) in moist soil near Elk Run
 on Dry Fork road to Hendricks;
 near a colony of *Impatiens* fl. of
 same species = # 11548
 many colored

11548 white fl. form of *Impatiens* ditto
 (2) *pallida* Nutt., growing in a colony
 near # 11547, yellow. In drying turns
 more yellow. Near # 11547 (rare.)

11549 *Aster divaricatus* L. ? ditto
 (1) fl. white very variable.
 in woods at Elk Run, on Dry Fork
 road to Hendricks; frequent.

Moss
at Blackwater Canyon
Falls visited by tourists.
11550 In moist drenched
rocks under the Falls.
Canaan Valley, W. Va.
Pendleton Co.
Aug. 4, 1945
H.A. Allard
Near Davis.

Moss
11551 On rocks with # 11550,
at the Falls.
ditto

Moss
11552 On submerged rocks
at above Falls.
ditto

11553 *Asclepias syriaca* L.
(2) Near 1st stream (= Tank stream)
in waste ground; fl. deep purplish
red, much deeper than most colonies.
ditto

11554 *Consolida arvensis* L.
(2) At Thomas, climbing over
herbage by railroad; fl. pinkish.
ditto

11555 *Carex leptalea* Wats.
(1) In damp soil at Blackwater
Falls visited by tourists.
ditto

11556 *Panicum*
(2) In canyon at Blackwater
Falls in rocky slope.
ditto

Carex baileyi Britt.
at forest sign on high
mountain near
11557 Parsons - sign road
Bl. Turkey Run trail }
Moore Run " }
→ Big Spring Trail 1 mile.
Canaan Valley, W. Va.
Pendleton Co.
Aug. 5, 1945
H.A. Allard

11558 *Scirpus atrovirens* (L.) Kunth.
(1) In moist soil high up mountains
with # 11557.
ditto

11559 Umbellifer
(1) On Red Run 3 miles from
Hendricks in thicket.
ditto

11560 *Astragalus canadensis* L.
(1) Along Red Run 3 miles from
Hendricks.
ditto

11561 *Agastache scrophulariifolia* (L.)
(2) Near Red Run on road to Hendricks,
i.e. Dry Fork road.
ditto

11562 *Daucus carota* L.
(1) with additional umbels.
Near # 11561 (white fl.)
ditto

11563 *Cirsium arvense* (L.) Scop.
(1) on road to Hendricks
at Red Run; common.
ditto

Desmodium canadense L. Canaan Valley, W. Va.
along road to Red Run ^{Trupper} Pendleton Co.,
and Hendricks; Near Davis.
11564 local; infrequent. Aug. 5 1945
14/ showy, blue fl. H.A. Allard

Spiraea latifolia ? ditto
11565 one ~~plant~~ from separate
fl. branch
12/ clumps along low meadow
on highway to Seneca, not
at foot of Canaan Mt. a mass
collection.

Helianthus strumosus L. ditto
11566 Near Red Run P.O. on forest
12/ road to Hendricks; very showy;
frequent.

Phlox maculata L. subsp. *subgranidifolia* (Fernald) ditto
11567 In damp thickets along
15/ Red Run on road to Hendricks; nearly
past fl. Oct. 10 1957

Andropogon furcatus ditto
11568 along Red Run near Hendricks.
11/ in moist soil.

Umbellifer ditto
11569 2 miles above Hendricks
12/ along Red Run (?).

Laurel Run Trail ditto
11570 on Dry Fork road to Hendricks.
11/ *Apocynum cannabinum* L.

Desmodium paniculatum L./DC. Canaan Valley, W. Va.
Pendleton Co.
11571 at Laurel Run
12/ trail on Dry Fork
near Hendricks, in
low ground thickets. Aug. 5 1945
H.A. Allard

Deflexa ditto
11572 on wet rocks on Dry Fork
11/ near Hendricks.

4435 North Pershing Drive,
Arlington, Arlington Co.
Aug. 14, 1935
H.A. Allard

11694 *Hibiscus* (crimson fl.) one pinkish white
below in drying deep red. fl. from another
From Mrs. Calpepper's grounds near
above - Aug. 20, 1945. H.A. Allard

11695 *Lagerstroemia*
(1) From Mrs. Sidney Sharp's
garden, Arlington, Arlington Co., Va.
Aug. 21, 1945. H.A. Allard
fl. lilac-purple.

11696 *Lagerstroemia*
(2) fl. bright red.
From Mrs. Sharp's garden
also - Aug. 21, 1945
H.A. Allard

Lonicera sempervirens L.

From C.W. Gultepfer's grounds,
4435 North Pershing Drive,
11697 Arlington, Arlington Co., Va.
(2) ornamental. Corolla red
and yellow.

11698 *Rock lichens* - blowing into ^{In Canadian stream,}
Aug. 2, 1945 canyon above the
on sandstone Rier from Davis,
mike. Tucker Co., W. Va.

11699 *Spiranthes*
(1) In dry pasture at left of ^{Road Mt.,}
New Baltimore highway Fauquier Co., Va
near Thoroughfare Gap; frequent Aug. 26, 1945
H.A. Allard.

11700 *Polygala*
(1) Growing near # 11702; infrequent. ditto
fl. purplish.

11701 *Leguminosae*
(2) In same pasture and ditto
thicket with # 11702; frequent;
fl. white.

11702 *Linum*
(2) In ^{dry} brushy pasture on west ditto
slope one mile south of Thoroughfare Gap;
fl. yellow; frequent.

11703 *Sorghastrum nutans* (L.) Nash. ditto
(1) In thicket on west slope
1 mile south of Thoroughfare Gap;
common.

Helianthus decapetalus L. Pond Mt., Va
Fauquier Co.,
Aug. 26, 1945
H.A. Allard
11704 along road on
west slope 2 miles
N of Tharofore Gap; frequent.

11705 *Lactuca villosa* Jacq. ditto
"1 all from same plant,
along same road in same
Gap, near # 11709; bl. blue; common.

11706 *Amphicarpa bracteata* (L.) Fern. ditto
"2 In thicket at same Gap etc. with
11709; bl. purplish or bluish white;
very high climbing (8 ft.)

11707 *Polygonum erectum* L. ditto
"1 In ^{same} road and Gap with
11709; occasional.

11708 *Aquilegia nifidoides* (L.) Rte. ditto
"2 In thicket near # 11709;
bl. whitish to greenish yellow;
infrequent.

11709 *Eupatorium torreyanum* Shott ditto
"1 In thicket along road
in Gap near west slope 2 miles
south of Tharofore Gap; occasional

11710 *Desmodium* ditto
"1 In dry pine woods near
Broad Run 2 1/2 miles south
of Tharofore Gap, east of New Baltimore
highway.

Ipomoea lacunosa L. Pond Mt., Va
Fauquier Co., Va
Aug. 26, 1945
H.A. Allard
11711 ^{same} in corn field
"1 with # 11712; frequent.

11712 *Quamoclit (occinea?)* Murch. ditto
"3 In corn field on east slope
west of New Baltimore highway 2 mi.
south of Tharofore Gap; frequent.
bl. crimson,

11713 Umbelliferae
"2 In boggy ground along brook ditto
near Broad Run 2 1/2 miles south
of Tharofore Gap; frequent.

11714 *Lespedeza* ditto
"1 In thicket near Broad Run
2 1/2 miles south of Tharofore Gap
infrequent; bl. cream colored.

11715 *Cyperus* ditto
"1 Growing near # 11715 same
habitat; frequent.

11716 *Ludwigia polycarpa* Shott and Peter ditto
"1 In very wet, boggy meadow near
Broad Run 2 miles south of
Tharofore Gap, New River area; infrequent.

11717 *Hypericum prolificum* L. ditto
"1 In meadow near Broad
Run 2 miles south of
Tharofore Gap; very common.

Pedicularis lanceolata Michx. Pond Mt., Va.
 In boggy meadow Fauquier Co.
 11718 near Broad Run Aug. 26, 1945
 " 2 miles south of Thoro fare Gap; H.A. Allard,
 rare; fl. yellowish; just in bloom.

11719 *Cassia heliocarpa* Fern. ditto
 " In meadow 2 1/2 miles south of Broad Run; frequent.

11720 gall on grassy leaves. ditto
 " 2 miles south of Thoro fare Gap and east of New Baltimore highway.

11721 *Cassia nictitans* L. ditto
 (2) Everywhere in pastures and old fields. These collected in meadow 2 1/2 miles south of Thoro fare Gap near Broad Run.

11722 *Eragrostis* ditto
 " In meadow 2 3/4 miles south of Thoro fare Gap near Broad Run; frequent.

11723 *Cuscuta pentagona* Engelm. ditto
 (2) On *Lepidoptera stipulacea* Maxim. in pasture 1/2 mile south of Thoro fare Gap and east of New Baltimore highway. Common on this *Lepidoptera*.

 (2) In thicket 1/4 mile south of Thoro fare Gap, east of New Baltimore highway; frequent.

(umbelliferous) ditto
 In pasture just south of Thoro fare Gap; frequent; 11725 fl. whitish.

(2) *Cassia marilandica* L. ditto
 In thicket in old field 1 1/2 miles south of Thoro fare Gap east of New Baltimore highway; common. Tall from same height.

11726 *Corylus americana* Walt. ditto
 " In thicket at Thoro fare Gap; frequent.

11727 ditto
 " *Lycopus virginicus* L. ditto
 In low ground near Broad Run at Thoro fare Gap; fl. white; frequent.

11728 ditto
 (2) *Cassia nictitans* L. ditto
 In dry pasture just south of Thoro fare Gap; very common.

11729 = *umbellifer* ditto
 (2)

11730 *Hibiscus* C.W. Culpepper's grounds
 " fl. crimson 4435 North Pershing Drive
 Arlington, Arlington, Va. Sept. 1, 1945
 H.A. Allard.

11731 *Aster divaricatus* L. ditto
 " Rays white
 Sold by a seedman as an ornamental and purchased by Mr. Culpepper; a common wild aster.

~~Desmodium~~
Oxalis fl. yellow.
 11732 In grassy pasture (3) end of road where re parked car.
 Massanutten Mts., West slope east of Woodstock, Va. Shenandoah Co., at end of Pugh's Run road.
 Sept 3, 1945 H.A. Allard

11733 *Desmodium*
 (3) along woodroad at foot of west slope near Shenandoah near the old Boyer brick home.
 ditto

11734 *Desmodium*
 (1) On same wood road near # 11733
 ditto

11735 *Houstonia*
 (1) on steep shale barrens east of woodstock, back of the old brick Boyer home; frequent.
 ditto

11736 *Lespedeza*
 (1) on shale barrens with # 11735
 ditto

11737 *Mazus*
 (1) on rock beside Shenandoah River ~~on~~ west slope of Massanutten Mts., east of Woodstock
 ditto

11738 *Chenopodium*
 (3) In thin woods on shales near # 11736.
 ditto

Panicum
 on shale barrens with # 11735
 11739 (1)
 Massanutten Mt., Va. Shenandoah Co. west slope, east of Woodstock, Sept. 3, 1945. H.A. Allard

11740 *Centaurea maculosa* Lam.
 (1) In alleghenies, beyond North River Gap, on road to Camp Todd, Rockingham Co., in West. Wash. Nat. Forest. Sept 2, 1945
 H.A. Allard; locally abundant here, and within past few years.

11741 *Cladonia*
 (1) On soil on Little Bald Mt., in Alleghenies, Rockingham Co., Va., Sept. 2, 1945
 H.A. Allard, at 2000 ft.

11742 *Cladonia*
 (1) On soil near # 11741, on Little Bald.
 Sept. 3, 1945
 H.A. Allard

11743 *Cladonia*
 (1) on soil near # 11741 on Little Bald at 2000 ft.
 Sept. 3, 1945
 H.A. Allard

11744 *Vaccinium vacillans* group
 (1) on west slope of Little Bald, in Alleghenies at Camp Todd, Va. in North River Gap, at 2500 feet. Sept 2, 1945
 H.A. Allard. Ripens very late about Sept. 1. I discovered this colony several years ago.

11745 *Carpinus*
 (3) At Camp Todd, in Alleghenies at foot of Big Bald, Rockingham Co., Va. Sept. 2, 1945. H.A. Allard.

Euphorbia

- 11746 on shales on west slope of Massanutten Mt. east of Woodstock. These shales back of old Mr. Boyer's brick home on the Shenandoah River. Sept. 3, 1945. H. G. Allard.

- 11747 Kudzu vine *Pueraria* 7th and Fillmore St. Mrs. Spelly's, Arlington, Va. Sept. 16, 1945. H. G. Allard. (9) This growing to peak of house and in full bloom; fl. purplish red, very fragrant even at a distance. After the Kudzu does not flower here. *Passer relative* Morgan. on shales in this woods near Shenandoah River; very abundant here. ditto

- 11749 *Clematis virginiana* L. 14 spontaneous on fence. ornamental (a weed) H. G. Allard's garden, 3000-7th St. North, Arlington, Va. Sept. 9, 1945. H. G. Allard.

- 11750 brass (25) Tall 3-3 1/2 ft high; in damp soil. ditto Sept. 9, 1945.

- 11751 *Cardiaster peruvianus* *brassicatus* L. (2) annual; planted in clumps by walking in flower. leaves fern-like; fl. small. very delicate vine; poor ornamental. ditto

- 11752 *Sedum oreum* Gray (1) on west slope of Little Bald Knob in Alleghenies near Camp Todd at 2000 ft. very common on dry shales banks; past bloomer. Sept. 2, 1945. H. G. Allard.

Sinias angulatus L.

- Very high-climbing, climbing to tops of my pear trees 20-25 feet high; a persistent, annual weed. H. G. Allard's garden, 3000-7th St. North, Arlington, Va. Sept. 9, 1945. H. G. Allard.

- 11754 *Vitis* sp. a Manchurian sp. from Asia - ornamental. orig. label lost. Fruit small, blue; persistent. ditto

- 11755 *Caryopteris incana* C. W. Cusheffer's garden. 4435 North Pershing Drive, Arlington, Arlington, Va. Sept. 12, 1945. (2) ornamental. fl. bluish. ditto

- 11756 *Lespedeza* (2) fl. deep reddish purple, showy. ornamental. ditto.

- 11757 *Petunia* (5) Flowers dark red, but dried deep, dark purple. H. G. Allard's garden, 3000-7th St. North, Arlington, Arlington, Va. Sept. 12, 1945. H. G. Allard.

- 11758 *Helianthus tuberosus* L. (1) 10-12 feet tall; flowers large, ornamental. but rhizomes small, elongate. Has persisted in my garden for 20 years from first plants introduced. Sept. 22, 1945. H. G. Allard.

- 11759 (5) African marigold fl. yellow ditto

Petunia
 bl. fresh, deep red;
 drying dark purple
 11760
 (2)
 H.A. Allard's garden
 3000-7th St. North,
 Arlington Co., Va.
 Sept. 22, 1945
 H.A. Allard.

11761 *Calonyction aculeatum* House ditto
 (18) forma of *petatum* Allard. From seedling progeny of original plant of last year. Ornamental; fl. with 5 petals.

11762 *Chelone*
 (1) bl. deep pink.
 Roadside thicket
 at Thorofare Gap.
 Bull Run Mt.,
 Pond Mt., Va.,
 Fauquier Co.
 Sept. 23, 1945
 H.A. Allard

11763 *Corallorhiza odoratissima*
 (several) In pine woods (Willd.) Nutt. ditto
 of Thorofare Gap, east of the New Baltimore highway.
 Huge colonies of this modest orchid were growing here, apparently having found a most favorable even its optimum habitat.

11764 *Eupatorium aromaticum* L. ditto
 (1) In thicket near # 11763 in open woods; frequent; fl. very white.

11765 *Oxalis*
 (1) Near old house (abandoned) near # 11764, in yard; abundant ditto

11766 *Leskea*
 (2) In dry open oak woods Bull Run Mt., Va.
 on ridge just north of Fauquier Co.,
 Berens Mill; frequent. Sept. 23, 1945
 H.A. Allard.

Quercus rubra L.
 emerd. In Roi
 on ridge near # 11766
 11767 (with very small acorns)
 (2)
 Bull Run Mt., Va.
 Fauquier Co.,
 Sept. 23, 1945
 H.A. Allard.

11768 *Quercus rubra* L. ditto
 emerd. In Roi
 Near # 11767.
 Acorns only - very large;
 leaves as in # 11767

11769 acorns from suffused hybrid ditto
Quercus alba x *Q. stellata*
 illus in The Vegetation and Characteristics
 of Bull Run Mt., Va., by Allard & Leonard,
 page 27. See # for leaves.

11770 Siberian Maple (Int.) In H.A. Allard's yard
 (2) Sept. 22, 1945 3000-7th St. North,
 Arlington Co.,
 Sept. 22, 1945

11771 *Solidago latifolia* ditto
 (4) bl. lilac -
 (on my fence) Many splinters
 from last year.

11772 *Lycopodium*
 (several) *hypniforme* In woods at crest of
 on log. Massanutten mts.,
 east of Rappahannock River, Shenandoah
 Co., east of Woodstock
 Sept. 29, 1945
 H.A. Allard

11773 Large Geaster ditto
 (3) In same locality on forest floor. (Found the
 two coffeeheads here)
 = Geaster triplex Jungh. Note collar around
 where bearing portions

~~Aster undulatus~~ *laevis* L. Massanutten Mt., Va.
 bl. pale bluish lilac. Shenandoah Co.
 Sept. 29, 1945
 11774 On crest of ridge just east of Pugh's Run
 (1) in dry, deciduous woods at 2500 ft.
 Common
 = *Aster undulatus* L.

11775 *Trichostema citrea* ditto
 (1) on shale barrens near foot of the above crest; a typical shale barren plant.

11776 *Peltigera* ditto
 (1) Lichen on shale barrens near # 11775

11777 *Houstonia longifolia* Gaertn. ditto
 (1) on shale barrens with # 11775; frequent here.

11778 Rock lichen. ditto
 (1) on rocks on rock slide near crest of ridge, east of Pugh's Run on west slope; also on logs. Near 2500 feet

11779 *Lupinus pusillus* ditto
 (1) on rocks near # 11778 same locality.

11780 *Panicum* ditto
 (2) on crest of ridge near # 11774

Aster laevis L. Massanutten Mt., Va.
 on shale barrens Shenandoah Co.
 Sept. 29, 1945
 11781 on west slope of ridge east of Pugh's Run and Woodstock.
 (15) a common constituent here.

11782 Rock lichens ditto
 (2) on rocks near top of ridge east of Pugh's Run and Woodstock, on west slope at 2000 ft.

11783 *Paronychia fastigiata* (Raf.) Torr. ditto
 (1) var. *typica* Fern. on shale barrens near Fish Hatcheries, near Pavells Farm, Shenandoah Co., Va. in Massanutten Mts. Sept. 30, 1945 H.A. Allard

11784 Norway maple ditto
 (2) (ornamental) near Woodstock, Va. Shenandoah Co., in yard just off highway 211, Sept. 29, 1945 H.A. Allard

11785 *Opuntia humifusa* Raf. ditto
 on shale barrens near old Boyer place, in pasture near Boyer's Spring. Common here, in full fruit. No long spines.

11786 *Euonymus europaeus* L. C.W. Culpepper's garden
 (3) Flowers greenish or yellowish 4435 North Pershing Arlington, Va. Dist. Sept. 1, 1945 H.A. Allard

11787 *Lycoris* ditto
 (13) Fl. orange.

water plant in H.A. Allard's
fish pool. 3000-7th St. North,
Arlington, Va.
Oct. 7, 1945
H.A. Allard

11788
(6)

11789 *Gentiana andersonii* Griseb.
"1" In moist soil on wood road on
Backbone Mountain. Sent down by
Bill Kramer, Forest Service, Davis, W. Va.
Oct. 7, 1945. H.A. Allard
(For record as a poor specimen)

11790 Black Gum - Black spots on young
also myriophyllum trees. Pull Rm Mt.
diversel Mount on ridge just north of
Beverly Mill. 228 Prince William Co.
October 14, 1945
H.A. Allard.
= *Septobasidium curtisii* (Berk.) Boed. & Steud.

11791 *Vernonia* rust.
on plants just north of Beverly Mill. ditto
1/4 mile, near road at foot of High Point ridge
Colosporium vernoniae Berk. & Curt.

11792 *Lycopodium geramoatum* Batsch.
In woods on ditto
soil and leaves just east of
High Point.

11793 Small mushrooms
on burned area below High Point ditto
on east slope
Omphalia camporella (Batsch) Quel.

11794 *Vaccinium* with black spots on
leaves. Just below High Point ditto
on east slope.
= *Vaccinium vacillans* Kalen
= *Rhytisma vaccinii* (Schw.) Torr.

Quercus rubra

Bull Run Mt., Va.
Fauquier Co.

Leaves from the
tree with large acorns H.A. Allard
11795 collected Sept. 23, 1945 under the
number 11768
compare acorns with the tree
nearly under the number 11767.

11796 *Rhododendron nudiflorum* (L.) Torr.
"2" well down east slope, considerable
bloom on the plants at this late
season, not as in spring before or
with appearance of the leaves. ditto
Prince William Co.

11797 Lichen - *Cladonia*
"1" fruiting bodies green colored
at foot of High Point ridge, east slope, ditto
on damp soil in old woodroad. Prince William Co.

11798 *Vernonia glauca* (L.) Willd.
"3" stems and leaves with galls. ditto
at foot of east slope of High Point
ridge, Fauquier Co., in open woods.

11799 Moss
"1" In moist soil of wood road
near # 11798. Very abundant.
Prince William Co.

11800 *Antitartaria* L.
"2" In thickets near west
slope of Bull Run Mt. along highway
55 through Norborne Gap. ditto
Fauquier Co.
Oct. 21, 1945
H.A. Allard.

11801 *Enanthis lyemalis* (L.) Salisb.
H.A. Allard's garden where estab. ditto
March 2, 1946.
fl. yellow.
one of earliest sp. flowering plants.

small droop - small st. H.A. Allard's garden
F.l. green and white, Arlington, Arl. Co., Va
March 2, 1946
H.A. Allard.

11802

11803 Small droop - large species
leaves much broader. March 2, 1946
First plant to flower.
fl white with green spot at
base of corolla segments.

11804 Moss -

on soil

Pond Mt., Va.,
March 23, 1946
H.A. Allard

In pasture just south
of Thoroughfare Gap, on soil

11805

Claytonia virginica

along Broad Run in
blood plain 1 mile south
of Thoroughfare Gap.

11806

Nepeta hederacea

with

11805

ditto

11807

Stellaria media

on steep bank in woods
one mile S. of Thoroughfare
Gap, along Broad Run.

ditto

11808

Moss on log along
Broad Run 1 mile
south of Thoroughfare Gap.

ditto

Massa - Pond Mt., Va.
Poa cuspidata Nutt. South of Thoroughfare Gap
along Broad Run
one mile S. - near
Triassic conglomerate outcrop.
March 23, 1946

11809

on

11810 Moss

on banks near # 11809

ditto

11811 Hepatica americana (DC) Ker.

along ~~road~~ ^{road} bank of Broad Run ditto
1 mile south of Thoroughfare Gap.
fl. white & several colored
among the blue.

11812

Polystichum acrostichoides
+ incisum on wooded bank ditto
one mile south of Thoroughfare Gap
on Broad Run.

11813

Moss on rotten log near # 11812 ditto

11814

Nepeta
along Broad Run
2 miles south of Thoroughfare Gap. Same locality
date: April 6, 1946

11815

Maflachia
on east slope Pond Mt., Va
near Thoroughfare Gap and east of
New Baltimore Highway.

ditto

Viola
bl. blue
11816

East slope, Pond Mt.
just south of Thorofare Gap
in dry pasture. April 6, 1946
H.A. Allard

11817 Xanthi Turkish tobacco
sown in greenhouse, Beltsville,
2-18-46. Dried 4-12-46, 21-22
days old. H.A. Allard.

11818 Muscari.
(1) In old field
west slope, below Castles, North of
Hoperell Gap, Bull Run Mt., Va.
property abundant; April 14, 1946
fragrant. H.A. Allard.

11819 Cust. apple in pasture
(2) near # 11818; full bloom. ditto

11820 wild plum.
(2) In pasture near # 11819 ditto
 $\frac{1}{2}$ mile north of Hoperell Gap, west slope.
Full bloom.

11821 Wisteria.
(3) at old house at foot of Harvis's
lane 2 miles north of Hoperell Gap,
west slope. Full bloom.
Fl. purplish blue ditto

11822 Lysium halimifolium
(3) with # 11821, same yard. ditto
bl. pinkish.

Double yellow
Narcissus

11823 In yard of
old house with
11821.

11824 Lilac.
(2) In yard with # 11821
fl. lilac purple. ditto

11825 Pop.
(1) In Harvis's yard - west slope ditto
2 miles north of Hoperell Gap
From top tree 60 years old, 30 feet
tall.

11826 Geranium
(4) mutans Raf East of New Baltimore road
in swampy woods on bank of brook
near Baltimore highway; frequent
Pond Mt. area, south of Thorofare Gap
April 26, 1946
H.A. Allard.

11827 Lysium
(1) with # 11826 ditto

11828 Carex.
In woods near Broad Run
south of Thorofare Gap 2 miles, east
of New Baltimore highway. ditto

11829 Ranunculus nemorosus Poir.
(1) woods with # 11828. ditto
Common.

Cardamine hirsuta Pond Mt. area,
east slope, south of Thoroughfare
(Scrib) B.S.P. 2 miles. April 26, 1946
11830 wet soil along bank H.A. Allard.
near Broad Run
(2) east of New Baltimore highway,
Abundant here; attractive.

11831 *Cerastium vulgatum* L.
var. *hirsutum* Tuckerm.
(2) Old field south of Thoroughfare Gap ditto
1 1/2 miles, east of New Baltimore
highway, Common

11832 *Silene caroliniana* Walt.
(1) subsp. *pennsylvanica* (Michx.) Charnen ditto
East slope at crest of cliffs 1 mile south
of Thoroughfare Gap, 7/8 mile.

11833 *Carex*
(1) In woods, west slope, 1 mile south
of Thoroughfare Gap, east slope near
cliffs ditto

11834 *Ranunculus hispidus* Michx.
(1) west slope well up, about 1/2 mile ditto
south of Thoroughfare Gap: full bloom.
In damp soil. Common
Petals bright yellow.

11835 *Mercurialis alabamica* May
From C.W. Culpepper's grounds
4435 North Pershing Drive,
Arlington, Va.
April 30, 1946

11836 *Photinia*
Fl. white From C.W. Culpepper's grounds
ditto

Rust on leaves of
Thieracium venatum Pond Mt. area
east slope, April 26, 1946
H.A. Allard.

11837 In woods east slope of
Pond Mt., east of New Baltimore
highway, 1 1/2 miles S. of Thoroughfare Gap
April 26, 1946
* *Puccinia arthurii* H.A. Allard
gracilis rare; none from Va; says John A. Steudemann

11838 *Asculus paria* From C.W. Culpepper's
grounds 4435 North
Pershing Drive,
Arlington, Va.
May 2, 1946
H.A. Allard

11839 *Kolbuntzia*
4 fl. pink, shrub, ditto

11840 sweet shrub, Pond Mt. area
(2) fl. dark red, south of Thoroughfare Gap 2
miles, May 14, 1946
Surviving at old H.A. Allard

11841 house site in woods, east slope
New D. area.
(2) *Mercurialis*, fl. white
with 11840 ditto

11842 new to area
(3) *Carex*.
along open wood road
near # 11840

11843 *Agave*, fl. pink
(4) just south of Thoroughfare Gap,
east slope of Pond Mt.,
May 4, 1946. H.A. Allard ditto

Oxalis
fl. yellow. On lawns,
11844 Horticultural Station,
Beltzville, Md.
May 7, 1946
H.A. Allard.
3

11845 *Geranium*
(1) On lawns and around
buildings; fls. pinkish purple. ditto

11846 *Carex*.
(1) Pond Mt., Va.
west slope 1/2 mile
south of Thoroughfare Gap,
in woods. May 11, 1946
H.A. Allard.

11847 *Carex*
(1) Near # 11846 ditto

11848 *Scutellaria*
(2) fl. blue-purple, shrubby.
Perennial; very showy.
Large colony 1/2 mile south of Thoroughfare Gap
on Pond Mt., west slope in thin
open woods.

11849 *Carex*
(1) with 11848 ditto

11850 *Phegopteris polypodioides* Thell.
(1) with 11848 Lower pyramidal
marked sharp angle ditto

Amelanchier
Berries green.
11851 at cliffs on Pond Mt.,
south of Thoroughfare Gap
1 mile, May 11, 1946
H.A. Allard.
(2)

11852 *Syrinchium*
(1) fl. blue. Roadside just
above Berkeley Mill
by roadside, May 11, 1946
H.A. Allard

11853 *Oxalis*
(3) On lawn Hart. Station
near building, May 16, 1946
H.A. Allard

11854 *Oxalis*
(1) Near # 11853 ditto

11855
(1) *Carex* in woods, Pond Mt., Va.
east slope 2 miles S. of Franconia, Co.
Thoroughfare Gap. May 25, 1946
H.A. Allard

11856 *Salix aparinne*
(1) In swamp woods S. of
Thoroughfare Gap 2 mi., near Broad Run. ditto

11857 *Viola*
(1) yellow fls.; capsules woolly
In swamp woods near # 11856 ditto

Carex
In low ground along
Broad Run
11858 south of Thoroughfare
1) 2 miles
Pond Mt., Va.
Fauquier Co., Ga.
south of Thoroughfare
May 25, 1946
H.A. Allard.

11859 *Houstonia missouriensis*
(2) var. *pubescens* ditto
In open field south of Thoroughfare 2
miles east of New Baltimore highway.

11860 *Sagittaria arifolia*
1) In dry woods 2 miles S. of
Thoroughfare 2 miles east of New Baltimore highway. ditto

11861 *Euphorbia corollata*
(3) In dry wooded field 1 mile
south of Thoroughfare 2 miles east of New
Baltimore highway. ditto

11862 *Lysichiton ciliatus*
(3) In ^{open} woods 1/4 mile south of
Thoroughfare 2 miles east of New Baltimore
highway. ditto

11863 *Conoclinium sp. thamesis* L.
(1) On dry bank east of Thoroughfare 2
miles along highway 55, Shoney, Va.
Prince William Co. ditto

11864 *Carex* In woods, east slope 1 mile
south of Thoroughfare 2 miles, Fauquier Co. ditto

Carex crinita
In ditch at Thoroughfare 2 miles
west of
11865 ³ Barclay Mill. ditto
(near to area)
Pond Mt., Va.
Fauquier Co.,
May 25, 1946
H.A. Allard

11866 *Carex* By roadside near ditto
(3) # 11865

11867 *Thalictrum*
1) In woods 2 miles S. of Thoroughfare 2 miles
near Broad Run. ditto

11868 *Demuthia*
(2) In woods S. of Thoroughfare 2
1/2 miles east of New Baltimore
highway. ditto

11869 *Walden* ^{erect} leaves, stems,
inflorescence of *Lysichiton virginianum* L.
East slope of Pond Mt., in woods
2 miles S. of Thoroughfare 2 miles, near west. ditto

11870 *Viola*
Not in flower
In heavy woods, damp soil, on
Backbone Mt. at 3500 ft. Not in H.A. Allard
Seminole region
Fauquier Co., Va.
May 31, 1946

11871 *Carex*
Near sand pit at
Thomas, on road road, near
3500 ft., in dry soil. ditto

Shaded,
dry damp, shaded
woods near sand pit
beyond Thomas,
11872 Tucker Co., W. Va.
May 31.

In Davis region,
Tucker Co., W. Va.
May 31, 1946
H.A. Allard

Near Davis, W. Va.
Tucker Co., May 31, 1946
H.A. Allard
In damp soil in woods
11879 on Backbone Mt., Tucker Co., W. Va.
near Thomas at 3700 ft

11873 Carex,
(1) on sand stone cliffs ditto
near Thomas, Tucker Co., W. Va.,
in dry soil. at 3400 ft

11874 *Trillium undulatum* Willd ditto
in rich woods near # 11873
petals white with pink or reddish
lines at base

11875 *Clintonia borealis* (L.) Raf. ditto
In woods near # 11873
bl. yellowish

11876 *Cyperus* ditto
(2) In wet soil near Davis
Tucker Co., W. Va. at 3200 ft

11877 *Viola* ditto
(1) bl. blue, in damp soil by roadside
in woods on Backbone Mt. near
Thomas at 3700 ft.

11878 Carex ditto
(1) In woods in damp soil on
Backbone Mt., W. Va., at 3700 ft
near Thomas, Tucker Co.

11880 *Viola* ditto
bl. blue
(1) In deep woods on Backbone Mt.,
Tucker Co., W. Va., at 3700 ft
near Thomas.

11881 Carex. ditto
(1) Near Tank Stream near
Blackwater River, opposite
Davis, Tucker Co., W. Va., at 3200 ft
June 1, 1946

11882 *Viola blanda* Willd.
(1) on mossy banks at stream south
of Tank Stream opposite Davis, Tucker
Co., W. Va., June 1, 1946

11883 Carex bl. white, striped, ditto
(1) Near 11881 May 31, 1946

11884 Carex ditto
Near 11881 on Tank Stream May 30, 1946

11885 *Clintonia umbellulata* (Michx.) Muhl. ditto
on Backbone Mt., near # 11875 May 31, 1946
in rich woods. shown together
bl. white, with green spots

Viola blanda (Banks) Near Davis, Tucker Co.,
W. Va., May 31, 1946
on ~~trunk~~ ^{Branch} in woods H.A. Allard
11886 on Backbone Mt., Tucker Co., W. Va.,
near Thomas, at 3500 ft.

11887 *Stellaria* ~~media~~ ^{ornamental}
fl. white. In yard at Davis, Tucker Co., W. Va., at 3200 ft. June 1, 1946
Very showy in border here ditto

Spiraea salicifolia L. In swale with # 12035 ditto

12039

(6)

Eloдея canadensis Michx. From Allard's fish pond as for # 12033. Aug. 11, 1946 H.A. Allard

Veronica virginica L. Tucker Co., W. Va.,
Aug. 17, 1946.
Roadside between Thomas and Red House
Aug. 17, 1946. H.A. Allard.
12040 very showy, 6 ft tall, fl. white.
(3) Infrequent in this area.
- Culver's Root. at 3000 ft.

12041 *Chelone*; fl. white to pinkish.
(1) Across Blacksater River from
Dais, Tucker Co., W. Va., at 3200
ft., Aug. 17, 1946, H.A. Allard

12042 *Eupatorium purpureum* L.
(2) ditto
Aug. 19, 1946
4-5 ft. tall. Near pulp mill ruins
near bridge.

12043 *Edinocystis lobata* (Michx.) F. & G.
(3) Aug. 19, 1946.
In thicket along Blacksater River
near bridge, at Dais, Tucker Co., W. Va.
Frequent. H.A. Allard.

12044 *Carallia sarscoleus* L.
(1) Across River (Blacksater) from Dais,
Tucker Co., W. Va. Aug. 19, 1946.
H.A. Allard at 3200 ft

12045 *Aster multiflorus* Mill.
(1) with # 12044. Aug. 19, 1946
Exceedingly common. H.A. Allard.
The commonest aster in the region.

12046 *Lycopodium tristachyum* Pursh.
(1) In spruce forest near Tank
stream across Blacksater River
from Dais, Tucker Co., W. Va.,
Aug. 19, 1946. H.A. Allard.

Across Blacksater River from
Dais in open meadow, at 3200 ft.,
Tucker Co., W. Va. Aug. 19, 1946

12047 H.A. Allard
(1) a very common species everywhere
in the region to tops of
Alleghenies 4000 ft or higher.

Solidago

12048 *Epilobium angustifolium* L.
(1) with # 12047. Very common
in region - showy. Aug. 19, 1946
H.A. Allard.

12049 *Chelone*
(1) fl. white to pinkish. ditto
In damp soil near # 12048

12050 willow (*Salix*)
(3) In cold, wet mountain bog
in Monongahela National Forest
near Douglas, Tucker Co., W. Va.,
Aug. 20, 1946, near 3200 ft.
H.A. Allard

12051 Black fungus spots on
(3) *Nemophyllus micrantha* (L.) Trel.
Very abundant. with # 12050
Aug. 20, 1946.

12052 *Arctium minus* Bernh.
(1) at old house site on Backbone Mt.,
Tucker Co., W. Va., at 3552 ft.

 W. Va., June 17, 1947, H.A. Allard,
 fl. white; eye yellow.
 In damp soil at 3300 ft.
 12271 (1)

12272 Gramineae. On slope of Bearden Knob,
 (1) in heavy woods
 at 3600 ft., in heavy woods
 Tucker Co., W. Va. H.A. Allard ditto
 June 17, 1947

12273 *Stellaria graminea* L. ditto
 (1) In Canaan Valley east of
 Bearden Knob at 3300 ft.
 June 17, 1947,
 H.A. Allard.

12274 *Scirpus rubrotinctus* Tuckerm.
 (3) In damp soil east of Bearden Knob
 Tucker Co., W. Va., June 17, 1947 ditto
 abundant here.

12275 *Azalea arborescens* (Pursh) Torr.
 (2) along Blackwater River near
 Blackwater Falls, Davis, Tucker Co.,
 W. Va., June 19, 1947, H.A. Allard
 Very fragrant; showy; white fl., abundant

12276 Smutted *Danthonia compressa* Nutt.
 (1) 4 miles below Davis on east side
 Blackwater River. June 19, 1947
 H.A. Allard, occasional, but
 collar fungus common. ditto

12277 *Smilax* Blackwater Canyon
 (1) near # 12276.
 June 19, 1947.
 H.A. Allard ditto

Carex pinnata 2 1/2 mi. down Canyon Trail.
var. *gymandra* on Blackwater River, below Davis
Tucker Co., W. Va., June 19, 1947
12278 H.G. Allard; damp soil.
(2)

Collar fungus on *Danthonia* 3 1/2 miles
12279 down Canyon Trail below
Davis, Tucker Co., W. Va., June 19, 47
H.G. Allard, ditto

12280 *Carex* On Bearden's Knob, at
fire tower, Tucker Co., W. Va.,
S. of Davis. alt. 3864 ft.,
in dry stony soil. June 20, 1947
H.G. Allard.

12281 *Carex*. Near # 12280
ditto

12282 *Carex* Near # 12280
same habitat etc. ditto

12283 collar fungus on
Danthonia (all one clump)
near # 12280. ditto

12284 *Carex*.
in open habitat near
12280 ditto.

Near Oakland, Garrett Co.,
Md. In woods,
Galba arboreus (Pursh) Torr. June 20, 47
12285 Deep pink fl., fragrant. H.G. Allard,
(2)

In Craneyville Bog, 10 miles
12286 N. of Terra Alta, Preston Co.
W. Va., June 20, 1947. H.G. Allard,
= *Larix laricina* (Du Roi) Koch.

12287 *Callitriche*
in brook in bog with
12286. ditto

12288 *Carex* in sandy stony soil among
sandstone rocks near Bearden's
Knob tower, Tucker Co., W. Va., ditto
at 3700 ft. June 20, 1947
H.G. Allard.

12289 *Carex* Near # 12288
ditto

12290 *Carex* near # 12288
ditto

12291 *Illex monticola* Gray
Near # 12288.
mid flower. ditto

Myosotis laxa Lehm one mile
N. of Aurora, Preston Co. W. Va.,
June 20, 1947. in wet soil
12292 along brook; shiny, abundant
(21) here. H. G. Allard.

12293 *Panicum*
on shales of Mill Run
Tucker Co. W. Va., near
Hendricks. June 21, 1947
H. G. Allard.

12294 *Grass*
near # 12293 ditto

12295 *Carex* On Dry Fork,
foot of Monarch Knob,
Tucker Co., W. Va. ditto

12296 *Moss*
at entrance to Elk Lick
cave in forest. ditto

12297 *Oxalis*
ditto

12298 *Grass* on Elk Lick
Run highway to Hendricks.
Tucker Co., W. Va. ditto
June 21, 1947.
H. G. Allard

Grass on highway along Elk Lick Run,
Tucker Co., W. Va., on way
to Hendricks, June 21, 1947
H. G. Allard. near 12298
V)

12300 *Erigeron atrorubescens* Jacq.
at natural well on Dry Fork
highway to Hendricks. ditto
June 21, 1947. H. G. Allard.
Full bloom.

12301 *Meharia cordata* (Walt.) Britton
Low (6) in woods near Elk Lick cave,
trailing stems; fl. blue.
my first find of this ditto
specimens.

12302 *Mint*
near # 12301 ditto.

12303 *Galium concinnum* T. & G.
(6) On dry bank near Parsons.
fl. white; plants reclining. ditto

12304 *Magnolia fraseri* Walt.
on Canyon Trail on
Monarch Knob, Tucker Co., W. Va.
June 22, 1947.
H. G. Allard.

12305 *Taraxacum officinale* Weber
(Plants
enormous)
at quarry (limestone) near
Elk Lick Cave, Tucker Co., W. Va.
June 21, 1947. H. G. Allard

Carex along Elk Lick Run
on road to Hendricks, W. Va.,
Tucker Co., W. Va., June 21, 1947
12306 H. A. Allard.
(2)

12307 Grass.
VI near # 12306 on ditto
shales.

12308 Asclepias quadrifolia Jacq.
VI On Mill Run on shales
on road to Hendricks, Tucker Co.,
W. Va., June 21, 1947
H. A. Allard ditto

12309 Panicum. with # 12308
VI ditto

12310 Phlox paniculata L.
VI Near # 12306 (same data)
fl. bluish pink.

12311 Moss. Bearden Knot,
Tucker Co., W. Va.
VI June 22, 1947.
H. A. Allard.
on large rocks in forest.

12312 Carex crinita var. gynandra
on Canyon Trail 3 miles down
Blackwater River from Davis,
Tucker Co., W. Va., June 22, 1947
(upper river). H. A. Allard

Azalea lutea
on Moynock Knob at
fire station tower. June 22, 1947
12313 H. A. Allard. (orange fl.)
VI

12314 Smilax herbacea L.
VI with # 12313

ditto
data

12315 Moss Near # 12313
VI ditto

12316 Carex Top of Canaan Mt.,
VI Tucker Co., W. Va.
In pure white sand on sandstone
ledges June 22, 1947
H. A. Allard.

12317 Galium
VI In woods on Bearden Knot
Tucker Co., W. Va.
June 22, 1947.
H. A. Allard

12318 Menziesia pilosa (Michx.) Pers.
VI with # 12313. full bloom
(same data)

12319 Azalea lutea
VI fl. deep orange red.
with # 12313. (same data)

- ayalea lutea*
fl. orange. On top of Moynock Knot,
Tucker Co., W. Va.,
12320 June 22, 1947. H.A. Allard,
(1)

- 12321 *Sorbus americana* (Marsh D.C.)
(1) On top of Caneau Mt., near
Davis, Tucker Co., W. Va.
June 22, 1947. (leaves very foul
H.A. Allard of fruit)
12322 *Galium concinnum* T. & G.
(1) Near Oakland, Garrett Co., Md.,
on roadside bank.
June 24, 1947. H.A. Allard.

- 12323 Grass.
(1) on shales near Petersburg, W. Va.
Grant Co., June 24, 1947.
H.A. Allard.

- 12324 In woods - on shales
(2) near # 12323 ditto
(large colony) by roadside.

- 12325 *Radicula nasturtium-aquaticum*
(2) (L.) Britton & Rendle.
In brook 12 miles above
Scheer, Grant Co., W. Va.
June 24, 1947
H.A. Allard.

- 12326 Very abundant here; full bloom.
(3) *Veronica anagallis-aquatica* L.
In brook with # 12325, where
abundant ditto

- Hydrangea arborescens* L.
on shales near Petersburg, W. Va.
Grant Co., June 24, 1947.
H.A. Allard,
12327 abundant; full bloom.
(1)

- Carex. 9 miles north of Dolly Sods,
12328 on the Hickberry Plains, Tucker Co.,
W. Va.; June 23, 1947. H.A. Allard
in dry rocky soil - at 4000 ft.

- 12329 *Asplenium* ^{vertical} On sandstone
(1) ledges near # 12328 ditto

- 12330 *Dicentra spicata* (Ker.) Torr
(3) Common on the rocky plains ditto
here; in full flower, beautiful now.

- 12331 Carex
(1) In sand on ledges above ditto

- 12332 *Geranium* On top of knob at
(2) Scheer, Greenland Gap,
Grant Co., W. Va. June 25, 1947
H.A. Allard

- 12333 In woods near # 12332
(2) grass. ditto

Marrubium vulgare L.
on knof in pasture near
Scheer, at Greenland Gap,
Grant Co., W. Va. June 25, 1947
H.A. Allard. Common here.

12335 Caref on top knof in dry
woods near # 12334 ditto

12336 Grass
with 12335 ditto

12337 Galium
with # 12335 ditto

12338 Grass. In swale at Scheer,
near Greenland Gap, Grant Co., W. Va.
June 25, 1947. H.A. Allard.
Much infested with yellow fungus.
= *Festuca elatior* L.

12339 *Cynoglossum officinale* L.
with # 12334. same data.

12340 *Acalypha*.
with # 12335. Same data.

In woods near # 12336.
Grass same data, loc. etc.

12341
"

12342 Mint In pasture on steep,
dry shales near # 12334.
" same data, loc. etc.
bl. purplish.

12343 Rosa
In same high pasture
with # 12334

12344 Caref.
In swale 2 miles west of
Red House, on road to Oakland,
Md. Garrett Co., June 26, 1947
H.A. Allard

12345 *Galium boreale* L.
Large patch here, with # 12344,
white

12346 *Oenothera*
with # 12345

12347 *Lobelia*
with # 12345

Thalictrum In swale 2 miles west
of Red House, on highway to
Oakland, Garrett Co., Md.,
12348 June 26, 1947. H.G. Allard
(with #12345)

12349 *Sisyrinchium*
(21) with # 12348

12350 *Tragopogon pratensis* L.
(1) on shales near Red Run,
Tucker Co., W. Va. June 26, 1947
H.G. Allard. (Is it *I. dubius*?)

12351 *Lilium canadense* L.
(1) In pasture near # 12350
same data

12352 *Eleocharis*
(1) with 12348 same data

12353 *Sierrella lonchosa* Mill
(1) On top Cabin Mt., on Blackbird
Knob, Tucker Co., W. Va. June 27, 1947
H.G. Allard. Common; full bloom;
fl. yellow.

12354 Grass
✓ on ledges near # 12353 ditto

Carex with # 12354
same data

12355
(1)

12356 *Veronica anagallis-aquatica* L.
(1) In water on slope of
Cabin Mt., near Blackbird
Knob, Tucker Co., W. Va.
June 27, 1947. H.G. Allard

12357 *Galium verum* L.
(1) Roadside near Galt, Hampshire Co.,
W. Va., on U.S. 50. fl. yellow.
Extremely abundant here in fields
and roadsides

12358 *Rhododendron maximum* L.
(1) In thicket at Greenland Gap,
near Scherv., Grant Co., W. Va.,
full bloom; very showy (Daisy?)
Scarlet in flower at Daisy?

12359 *Gynura*
(1) Small plants at High Point
Cliff, Bull Run Mountain
Fauquier Co., Va. July 6, 1947
H.G. Allard

12360 Pond Mountain, west slope,
(2) July 13, 1947. H.G. Allard.
In pasture in thicket 1/2 mile south
of Therofare Gap. Large colony
here.

12361 *Albium virgatum* L. typical
(2) See *Rhodora* No. 581 - May 1947. p. 132.
with # 12360. ditto

Carex on ledges of Pond Mountain,
Fauquier Co., Va., $1\frac{1}{2}$ miles south
of Therofare Gap. July 13, 1947
12362 H.A. Allard,
(2)

12363 Red-blended grasses ~~with~~
(1) In pasture at foot of slope just
west of cliffs where 12362 occurred.

12364 *Dioidia terestralis* typical
(2) 1 mile north of Haverhill Gap,
Bull Run Mt., Va., Fauquier Co.,
July 20, 1947. H.A. Allard.
In pasture, west slope.

12365 Blighted twigs of Rock chestnut oak
(several) from trees on High Point cliffs,
Bull Run Mt., Fauquier Co., Va.,
Aug. 3, 1947. H.A. Allard.
Given to John A. Steenson.

12366 *Melissa officinalis* L.
(3) In H.A. Allard's garden, 3000-7th St. North,
Arlington, Va. Aug. 1, 1947
H.A. Allard. Demers sent.

12367 *Castanea dentata* bl. whitish.
(2) or hybrid with *disjuncta*.
High Point, $2\frac{1}{2}$ miles N. of Therofare Gap,
Bull Run Mt., Fauquier Co., Va.
Aug. 3, 1947. H.A. Allard

12368 (leaves 15-18 in. tall). Some leaves
without teeth.
(1) *Desmodium rotundifolium*
or dollar leaf.
In dry woods.
Near # 12367
Same date.
H.A. Allard.

Presumably *Sporeea parviflora*, but
large white blossoms last corolla in
the tube at throat. Growing near # 12368
12369 and # 12370, in dry woods.
Aug. 3, 1947.
" same data as for # 12368

12370 *Sporeea parviflora* with normal
(1) whorled corolla in throat.
Growing near # 12369 - same data

12371 *Cichorium intybus* with pure
(1) white flowers. at Therofare Gap,
Bull Run Mt., Va., Fauquier Co.,
Aug. 3, 1947
H.A. Allard

12372 Fern.
(1) In deep woods in woods, east slope of
Pond Mt., Fauquier Co., Va. $1\frac{1}{2}$ miles S. of
Therofare Gap. July 20, 1947. H.A. Allard
