Annual '91.  
Holmes

Report to the Department of American Anthropology  
with the U.S. National Museum

Copied

By William H. Holmes, Honorary Curator  
July 1<sup>st</sup> 1911

In this Department  
During the fiscal year ending June 30<sup>th</sup>  
1891 active operations have been ~~quite~~  
~~entirely unimportant~~ as the installment  
of material ~~is~~ <sup>is</sup> practically complete,  
~~and the accessions are not numerous.~~

Accessions for the year are numerous  
but no collections of especial im-  
portance have been received. The  
last catalogue number for June 1890, is 135363; for June 1891, 136183.

Such researches as have been  
conducted by the curators relate mainly  
to collections made by the Bureau  
of Ethnology during the past few years  
in the Mississippi Valley and along  
the Atlantic coast. They will be  
embodied in a forthcoming volume of contribu-  
tions to the Bureau of Ethnology.
